We are excited to announce we have a very full day of Hammer throwing planned, and we want to offer every athlete, parent, coach and all other spectators the best experience possible.

Please see below the information and the Competition Groups now planned for the Dickenson classic. Please note competition groups are not the order of throwing, just a statement of who is planned in which competition.

With this in mind, please ensure you and all concerned, read and understand the notes below, and arrive in good time to both meet the competition criteria, and prepare the athletes for their best experience.

Prizes will be awarded by members of the Dickenson family as soon as the results of each age group are known. (masters will be determined by highest points obtained using the pentathlon scoring table)

We will have a small stand available on the day serving Hot & Cold drinks, various cakes and snacks. available on a first come first served basis.

Please note we are a cash only environment, so please bring cash with you on the day.

All profits from the Stand and Entry fees will be donated to the Paul Dickenson fund organised by the Hammer Circle.

Competitions

We are very fortunate to be supported by Windsor, Slough, Eton and Hounslow athletics club who have gotten us an excellent group of high-ranking UKA officials for our competition. They will run an athlete friendly competition at a fast pace. Please be ready to compete on time and give them the respect they deserve. They will be working hard on our behalf on the day. Please remember to thank them at the close of your respective competition!
